

WASHINGTON STATE HEALTHCARE SAFETY COUNCIL

Monday, January 30, 2023
0900-1200

Microsoft Teams Audio-Videoconferencing

Facilities and Life Safety Challenges

- Water Management-Chris Kobus University of Washington Safety Office and Water Management Manager
- Facilities Shutdown and Emergency Power Lighting- Huge Sotelo Seattle Children's Fire Life Safety Manager
- Waste Anesthetic Gas Monitoring- Jennifer Dobb, BSI EHS Consultant Manager
- New OSHA Healthcare Rule- John Stebbins Department of Health

Objectives:

1. Discuss the challenges and strategies to address key facilities and life safety challenges in healthcare.
2. Network among peers.

WSHSC is offering its programs in 2023 FREE to all who are interested! We had a difficult few years and this is our continued gift to you.

We hope you will benefit and renew your membership for the 2024 year!

RSVP by 1/26/2023 if you want to join the program via Microsoft Teams to Marianne.Klaas@swedish.org

The Teams link will be sent 1/27/2023 to all those who RSVP'd

Are you planning to submit your Elaine Carty Performance Improvement Award and/or Lew Brown Recognition Award applications by 4/1/23?? Refer to wahealthcaresafety.org for more information.
